

First Let's **PLAN**

Name:

/20

GOOD art takes PLANNING!

In the creative industry we use **SCAMPS OR THUMBNAILS** to plan an artwork. In the squares below make some quick planning sketches.

Which **scamp** do you like the most?

Tim Burton often uses creatures in his movies.
Design a pet to go with your portrait.

TIM BURTON

inspired self-portrait

Now that you are familiar with Tim
Burton's art, create a self-portrait
based on his unique illustration
style.
